

If you have determined that you DO NOT need to enroll, then you don't have to read any further.

Should you wish to be removed from this email/fax distribution list, please send a reply email to annika@nurserygrowers.org or fax to 888.835.1724 stating that you want to 'Opt Out'.

For those of you that find that you indeed MUST enroll, the attached form titled 'Ag Waiver FAQ's, may answer your questions of the LA Regional Water Board. If you want assurance that your growing grounds indeed fall within the borders of the LA Regional Water Board, see the attached map. The green line indicates the LA boundary.

I will be emailing/faxing enrollment forms next.

Do not hesitate to call or email me with your questions.
