

INVITATION TO BECOME AN NGA SPONSOR

Dear Past and Prospective Sponsors

To those that have sponsored the Nursery Growers Association (NGA) in the past, we thank you for your support. For those that are considering sponsorship, the NGA would be pleased to have you as a partner.

The purpose of the association is to foster and encourage the growing and development of quality stock and to promote all matters that pertain to the best interest of the wholesale nursery growers in the state of California.

At our last general meeting held February 8, 2011 our guest speaker, renowned economist Chris Thornberg of Beacon Economics said: *“The U.S. economy has started to pull out of the doldrums where it has been stuck since the recovery began. More importantly, the tax cut extensions and QE2 (a second round of quantitative easing) will ensure that the recovery will continue into 2011. Expect growth and job creation for the next two years as a result.”*

While such an encouraging outlook should to be tempered because *“The housing market still has to find a bottom and ... the cost of the ongoing stimulus have yet to be realized”* the future is looking better than it has for a long time.

As the economy continues to improve, the NGA is committed to pursuing organizational, educational and legislative initiatives that serve the interests of California’s nursery growers. With over one hundred members, NGA’s membership represents about 75% of California grower sales.

NGA sponsors are typically suppliers to the nursery growing industry, key members of a team that need to be closely allied for a common best interest. Through their donations, sponsors demonstrate their commitment toward a future in which both nursery growers and their suppliers can prosper. Your donation is critical to maintain the reach and effectiveness of the NGA.

The cost of sponsorship is \$750. For this your company will be recognized at our general meetings and have a link to their company website posted on the sponsor page of NGA’s website. Please take a moment to fill in and return the attached NGA 2011 Sponsor Application Form. We look forward to your immediate and ongoing support.

INVITATION TO BECOME AN NGA SPONSOR

Nursery Growers Association 2011 Sponsor Application

All sponsors will be recognized at NGA general meetings and will have links to their company website posted on the sponsor page of NGA's website. To be acknowledged as a sponsor, please return this form to the address below along with your check for \$750. If you have any questions, feel free to contact Claudette Lerma, NGA's Administrative Assistant by phone, fax or email.
